# Background Screening- Secure Search

SecureSearch™, an online volunteer and pre-employment screening service, has partnered with Shelby Systems to provide background screenings for secure hiring – every time.

The screening services offer the convenience of submitting requests and accessing profile reports 24 hours a day, 7 days a week, from anywhere with an Internet connection.

SecureSearch™ is committed to creating a safer and more secure workplace through the responsible use and dissemination of information. All business practices are FCRA compliant and the technology platform is HR-XML CONSORTIUM CERTIFIED.

---
