v.5 Church

Pose n' Print

Put names with faces by using v.5 Pose n' Print to associate photos with a person's information. Print staff and regional photo directories quickly and easily. Pose n' Print integrates with GlobaFILE, Membership, Prospects, Misc. Names and Addresses and e-Solutions.

Features and Benefits

- Store pictures using popular graphical formats (.jpg, .bmp, .tif, .gif, etc.)
- Use devices such as digital cameras, web cams or scanners to capture images
- Link family photos as well as individual photos to a person's record

- Pastors and staff can view a member's picture while speaking with that person on the telephone
- Print these photos on the Individual Information Sheet
- Print a pictorial directory for any group in your church or organization

Required modules:
- GlobaFILE

Optional module(s):
- e-Solutions
- Membership
- Misc. Names & Addresses
- Prospects
