

Multi-User Licenses

Any organization with multiple staff members using Shelby v.5 software simultaneously needs a multi-user license to allow access to any/all of the applications in the suite of modules. Without a multi-user license, only one person at a time can access your Shelby v.5 information.

Original Purchase Multi-User License Options:

Package	Maximum Simultaneous Users
2 – 4	4
5 – 9	9
10 – 20	20
Above 20 order in blocks of 5 Users	Unlimited

Upgrade Multi-User License Options:

Upgrade		Maximum Simultaneous Users
From	To	
2 – 4	5 – 9	9
2 – 4	10 – 20	20
5 – 9	10 – 20	20
Above 20 order in blocks of 5 Users	Unlimited	Unlimited

Three easy steps to acquire the Multi-User License that is right for you:

1. Tally up the total number of people who potentially need access at the same time. Make sure you include your network data server in this number.
2. Keeping that number in mind, review the options above.
3. Order in the online store or contact your sales representative at 800.877.2222.
